

Size: Check with Mrs. Galtere. We should find a few pieces of plywood that are different sizes and hold them up on stage, while Mrs. Galtere is in the audience. I think they will have to be pretty big (4'x5'), so that people sitting in the rear of the stage can see them.

Sign needs to be moveable.

On one side have: *Boumont Community Church*. On other side have : *Burger Blast*. We should come up with a fun font, color and logo for the Burger Blast.

Connect with 2 hinges. Fold down when in "church" mode, fold up when in "Burger" mode
